McKinley Bridge Outgo Up \$40,000

New Insurance Program Ordered by Engineers; Will Cut City Income

The city of Venice, already confronted with growing financial problems in operation of the McKinley Bridge, was dealt a new blow Friday night with an announcement that the bridge insurance program must be revised at an additional cost of about \$40,000 per year.

Mayor John E. Lee told the Venice city council that Hardesty & Hanover, New York engineering firm which oversees bridge operations in behalf of its stockholders, has requested the bridge administration to obtain "full replacement" insurance, which would guarantee complete replacement of the entire bridge or any part of it at today's construction, labor and engineering costs in the event of a major disaster.

The additional insurance cost will have to come out of bridge revenue, as do all other operating expenditures, before the city receives its share of funds for operation of the bridge. Since the city acquired McKinley Bridge eight years ago it has received \$100,000 each year for operating and administering the bridge program. As a result of the new insurance requirements, it is almost a certainty that this year, 1967, will be the last in which the city will receive bridge funds in that amount, officials said.

Set New Values
Mayor Lee explained that the new insurance would require a replacement insurance of 80% of a revised valuation figure of \$2,000,000, or \$2,320,000, plus \$1.4 million as 100% of the \$2,000,000 cost for replacement of the bridge and \$140,000 as 100% of the administration cost during replacement. These insurance factors will cost the city a three-year premium of \$198,230.

Added to this, Bridge Manager Henry McMillen said, will be other premiums on additional insurance that the bridge administration carries, including risk and occupancy insurance, that will bring insurance costs for the next three years to a total of \$353,230.

This total includes \$73,000 for the 1967-68 year which will begin Oct. 1; \$55,131 for the 1968-69 year, and \$55,100 for the 1969-70 year. This averages \$80,000 per year.

Following Mayor Lee's explanation of the new program, the council gave final passage to it.

2 Youths Drown Sunday Near Low Water Dam Here

Rescue units from Pontoon Beach, Wood River and Alton still were dragging the Mississippi river at noon today for a St. Louis county boy and a South Roxana man who drowned in separate incidents yesterday.

The body of another St. Louis county boy who drowned was recovered at 6:30 p.m. yesterday just below the Chain of Rocks low water dam where the boys, both 17, went down while swimming about 4 p.m.

The man who was being sought at the Alton dam locks was identified as Keith Hardway of South Roxana, who was said to have fallen from a boat about 7 p.m. The Alton and Wood River rescue squads were dragging the river for Hardway. The Long Lake fire department rescue unit from Pontoon Beach is seeking the boy's body.

One Body Recovered
Deputy Coroner Alvin Cease of Granite City said searchers found the body of Raymond Joseph Horner, 17, of Bellefontaine. Neighbors several hours after the two boys disappeared. Cease said he brought the body to shore, but only after one of the two boys disappeared. Cease said the body was recovered at 6 p.m. Wednesday. The Horner boy was found by the Alton Volunteer Emergency Corps.

Still sought is Glenn Varel, 17, also of Bellefontaine. Neighbors Long Lake firemen said attempts to recover Varel's body were being difficult due to swift flow of the river at that point and because the water is about 40 feet deep.

Two other boys swimming with Horner and Varel were taken to shore, but only after one of the two boys disappeared and was missing for the other authorities said they were Tim Shaughnessy, 17, and Bob Moresi, 17, also of Bellefontaine. Neighbors.

New Wage Pact Ends Mechanics Strike in Area

Four hundred auto mechanics and body men employed by 37 Madison and St. Clair county auto dealers ended their strike today under a new union contract providing a 65-cent per hour wage increase spread over three years.

Approximately 1400 mechanics in the St. Louis and St. Louis county area also went back to work under the same wage agreement.

New contracts ended a strike which both sides agreed to end. The International Association of Machinists, the strike began Aug. 1. The strike was the primary issue. Wages were the primary issue.

New Wage Area-Wide
The new scale is the same as that approved by the Local 17 union, 88 dealer members of the Greater St. Louis Automobile Association.

The 1800 IAM members on both sides of the river had been picketing dealers, all of which handle new car sales, since the strike began. While car dealers complained that the strike was hurting them, they also complained that the strike was hurting them.

Expect Decision Today on Chouteau Landfill Permit

An inspection of the Chouteau landfill, a major issue in the Madison County landfill controversy, is to be made early this afternoon by the Sanitation Committee of the county board of supervisors to determine if it is operating in compliance with the county landfill ordinance.

Jack Clifford, Madison County Building and Zoning administrator, said that if the operation is found to be in compliance, a permit for continued operation will be issued by the Sanitation Committee at a meeting later this afternoon in the Edwardsville courthouse.

Issues of the permit is being opposed by a group of Chouteau township residents who have hired two attorneys to sue the county in its efforts to close down the landfill, operated by a Missouri corporation. The opponents charge the landfill does not comply with county regulations, that the site is a flood-prone area.

Bus Route Cutback Scheduled Next Week

Pontoon Shopper to be Dropped; Two Major Routes to be Curtailed

Bi-State Transit System will curtail the two major Granite City bus routes effective Aug. 28 and will eliminate the morning and afternoon Pontoon Shopper line on Sept. 5, it was announced Friday.

The curtailment services result from failure of the Illinois and Missouri legislatures to provide requested subsidies which the transit system could have used as matching funds to obtain federal grants, a spokesman said.

Noting that public transportation systems in virtually all large metropolitan areas receive governmental subsidies, Bi-State Transit System early this year sought a \$400,000 grant from Illinois and \$600,000 from Missouri, based on operational volume.

Illinois approved its allotment contingent upon Missouri approval of its subsidy legislation, but the Missouri Assembly failed to take final action approving its \$600,000 grant proposal. Transit System officials had pointed out that the Missouri Assembly failed to take final action approving its \$600,000 grant proposal.

A spokesman pointed out that the Pontoon Shopper line from the Quad-City area to St. Louis, with one run in the morning and one in the afternoon, never was successful. He said patronage of the line was less than one-half passenger per mile, or approximately 20% of the cost.

The East Granite loop service leaving 18th street and Edison avenue and operating via Edwards street on one route and via Delmar street on the other will be changed primarily on the Delmar street route, the spokesman said. A Delmar street route will be eliminated except a school trip at 7:20 a.m. and a school trip at 3:30 p.m. Scheduled for the Edwards street run will be unchanged.

Changes in the West Granite operations will include eliminating the 1 p.m. trip leaving the stockyards, East St. Louis, and the 1:40 p.m. trip leaving the stockyards, East St. Louis, and the 1:40 p.m. trip leaving the stockyards, East St. Louis, and the 1:40 p.m. trip leaving the stockyards, East St. Louis.

Because of this the water district board decided to go ahead with the survey based on fully local financing with revenue bonds.

Patrick said the survey will be made to determine:

1. Cost of installing sanitary sewerage in the populated areas of the Pontoon Beach Water District.

2. An alternative cost for adjacent populated areas where residents wished to be included in the program.

3. The minimum number of residents required to contract for the facilities to make the unit to the individual low enough to be acceptable.

4. The most practical and economical methods of treatment and disposal, including use of lagoon systems or the rental or leasing of existing disposal systems within the area.

Patrick pointed out that the Pontoon Beach Water District has been authorized to extend its service to the area. He said the district has been authorized to extend its service to the area. He said the district has been authorized to extend its service to the area.

13 Undergo Surgery At Local Hospital

The following are recovering at St. Elizabeth Hospital from surgery which they underwent since Thursday:

Brian Koke, Collinsville; Sam Carson, 2614 Park street; Paul Grundon, 2664 East 24th street; Mildred Hays, 2241 Dawn place; Gwendolyn McKie, Lovejoy; Iris Chastain, 3212 Center street.

Randall McKie, 2408 Grand avenue; Lucille Painter, 2927 Burton avenue; Kenneth Lines, 2927 Burton avenue; Ray Hancock, 3201 Kirkpatrick Homes; Donald Glenn, Edwardsville; Leo Mae Salmon, 2905 Fifth street; Madison; Kevin Johnson, East St. Louis.

Woman Rings Missing \$1000 Ring in Shoe

An East St. Louis woman enlisted the aid of Madison police early Friday morning in an anxious search for a missing ring which was made of platinum and inset with an eight-karat diamond valued at \$1000 — but it turned out when a woman turned the ring over to police and said she found it in her shoe.

Police made this report: Paul Green, East St. Louis, was called to a home about 3:45 a.m. and was talking to a woman he knew only as Marilyn. Green was asked to see the ring and Green slipped it off her finger and gave it to him.

A few minutes later, Green told police, he asked the woman for the ring and she said she did not have it, but that she thought it was so valuable. She returned it to police who gave it back to Green.

A short time later the woman called Lewis' tavern about 3:45 a.m. and she said she had found the ring lodged in her shoe when she returned home. She said she did not know it was so valuable. She returned it to police who gave it back to Green.

Pontoon Water Dist. Studies Sewer Program

An engineering study to determine feasibility of building a sanitary sewer system in the area of the Pontoon Beach Public Water District has been ordered by the water district board, it was reported Friday.

Edgar Patrick, chairman of the board's Sewage Study committee, said the survey will be undertaken with a view toward financing the project through sale of revenue bonds, providing sewers can be built under financial terms acceptable to the people.

The board adopted a resolution employing the Granite City engineering firm of Sheppard, Morgan and Schwab to make the study.

The water district sought federal funds last year in an application for a sewer project. The board decided to go ahead with the survey based on fully local financing with revenue bonds.

Patrick said the survey will be made to determine:

1. Cost of installing sanitary sewerage in the populated areas of the Pontoon Beach Water District.

2. An alternative cost for adjacent populated areas where residents wished to be included in the program.

3. The minimum number of residents required to contract for the facilities to make the unit to the individual low enough to be acceptable.

Kerner Could Upset Move To Run Simon for Senator

The possibility that Gov. Otto Kerner might run for U. S. Senator instead of seeking re-election as governor in next year's Illinois elections is posing some concern in Madison county Democratic circles over a move by local area leaders to put up a Madison county candidate for the senatorial spot.

More than 300 Democrats from all parts of Madison county attended Governor's Day at the Illinois State Fair at Springfield Thursday and heard major addresses by Gov. Kerner and Chicago Mayor Richard J. Daley, most powerful Democratic leader in the state. Neither of them said anything about Gov. Kerner running for re-election in 1968.

Mayor Daley, however, told the Democratic rally that Gov. Kerner will be the party "standard bearer" in next year's election.

"In Illinois," he said, "We'll be marching behind the banner of a great governor, Otto Kerner. . . . he will be our standard bearer."

Most listeners took this to mean that Kerner will be a candidate to succeed himself to a third term. But there are some who point out that Mayor Daley, in his speech, did not rule out the possibility that Kerner might be the nominee as U. S. Senator seeking the Senate seat now held by Republican Everett M. Dickson.

Neither did Kerner mention

his own plans, but one of the biggest questions during the past two months has been whether Kerner would back the traditional third-term jinx on gubernatorial candidates. Candidates for governor seeking third term in Illinois have been consistently defeated in Illinois.

The last to try was Gov. William G. Stratton. He was defeated.

Only other officeholder in Illinois to be mentioned for either the governor's or the Democratic ballot—either as governor or Senator—is Adlai Stevenson III who was elected state treasurer in 1966.

Madison county Democratic leaders are eyeing the governor's political move with particular interest since they have already started a move to promote the U. S. Senator nomination for State Senator Paul Simon of Troy. Were Gov. Kerner to choose the senatorial candidacy over that for governor, there would be no question that he would have clear sailing—at least so far as the nomination is concerned.

Simon Contribution

In mid-July the executive board of the Madison County Democratic Central Committee, headed by Walter "Buck" Simmons of Venice met at the Sunset Hill Holiday Inn and voted a \$2000 contribution to a campaign fund for Simon. The committee at the same time made plans for the county court clerk, state's attorney, county auditor and recorder of deeds. Five trustees of the East Side Levee & Sanitary district also will be elected.

The action followed recurring reports that the Illinois State Democratic committee had informed local area leaders that Simon could secure the nomination as U. S. Senator if a campaign fund of \$25,000 in his behalf could be guaranteed. Simmons and other local Democratic leaders denied such an arrangement.

Madison county officeholders also attended the meeting at the National Bank at one per cent interest. In addition to national, state, representative and congressional elections in 1968, Madison county voters also will elect a circuit court clerk, state's attorney, county auditor and recorder of deeds. Five trustees of the East Side Levee & Sanitary district also will be elected.

Court Orders 10 Deputies Added to Sheriff's Staff

Madison county Sheriff George Musso is looking forward to 1968 when 10 deputies are to be added to his staff. Musso said he has sought larger staffs to cope with law enforcement needs in the growing lawless areas of Edwardsville, Musso said at Edwardsville. He also plans to request \$100 monthly increases for his deputies who now receive \$475 a month.

The 10 additional deputies are to be hired after next Jan. 1, since funds for the salaries have not been appropriated by the county board.

\$3425 Antiques Stolen in Night House Burglary

Choice Items are Taken From Collection; 16 Other Thefts in Area

The area's 20-day drought ended Friday with an early morning downpour of .20 inch and evening showers totaling .52 inch, according to the gauge on the middle of the Chain of Rocks dam locks, maintained by the Corps of Engineers.

Precipitation was measured as over an inch on other gauges throughout the Quad-Cities. The rain was the first since the beginning of the drought. The alert sirens here were sounded at 6:35 p.m., breaking up sporting events at the local parks and sending shoppers scurrying. The all clear was given at 7:30 p.m.

Choice Items are Taken From Collection; 16 Other Thefts in Area

Antiques valued at \$3425 were stolen Friday afternoon from the home of Edith Bischoff, 3111 East 22nd street, that was entered through an unlocked door on the porch.

Bischoff and her wife are antique collectors and dealers and noted that the items taken by the burglars were valuable pieces of chinaware, toys and glassware. Total value of \$500 was placed on a red onyx sugar bowl and on an Aurelian Pansy bowl. Valued at \$300 each were a brown onyx spooner and a Burmese oil lamp, while a Burmese sugar bowl and a Burmese petal top base were valued at \$225 each.

A total of 16 collector items was stolen. The house was entered between noon and 2 p.m.

Thief, Two Boxes of Costume Jewelry and a \$90 Camera were Reported Friday Night by Ethel Lahner, Divorced, 3111 East 1724 Spruce street. They said the thief apparently occurred within a two-day period and that the house was entered through an unlocked door. No value was placed on the jewelry.

Two break-in attempts were reported to Granite City police Saturday morning, who noted the would-be burglars failed to gain entrance at Virgil Honeycombe's service station, 15th and State streets, and a Kieffer's hardware and Adams street. Glass in two doors was broken at the station, and an attempt was made to pry off boarding on a rear window at the tavern.

Armed Robbery
Harold Campbell, East St. Louis, reported at 1:30 a.m. Friday that he was held up and robbed of \$5, a watch valued at \$10 and a yellow gold ring with three diamonds while he was at the Granite City Elks lodge.

Elmer Dixon, 3111 East St. Louis, reported to Venice police at 1 p.m. yesterday that he was robbed by two men and a woman who dumped him out of a car at Main and Broadway after the robbery. Dixon first told police he was robbed of from \$50 to \$75, but later said the amount was \$300. Police were called to Main and Broadway by a McKinley Bridge toll collector who said he saw Dixon put out of a car.

Approximately 300 brass jewelry items were stolen from a boxcar in the Madison yards of Norfolk & Western Railroad, which was owned by the railroad authorities Saturday morning. The thieves broke a lock on the boxcar and carried the 25-pound jewelry to about 25 feet to a waiting vehicle. The jewelry was for salvage, and no value was listed.

Purse, \$10 Stolen

Marianne Hahn, 2145 Hodges avenue, reported at 12:20 p.m. Thursday that her purse containing \$10 and papers was stolen from her locked auto at Wilson Park the day before. There was no forced entry.

200 County Firemen Attend School Here

More than 200 firemen from departments in all areas of Madison county gathered yesterday morning at the Granite City Army Depot to witness fire demonstrations presented by firefighters from Quad-City departments.

Assistant Fire Chief Curtis Donley explained the purpose of the fire school, and members of the Granite City department gave ladder, salvage and rescue demonstrations, including use of the city's new 85-foot aerial ladder truck and recently acquired rescue saw that cuts through steel tops of autos.

Long Lake Volunteer firemen demonstrated their tanker truck and displayed their rescue and recovery equipment as well as giving a demonstration in the use of foam chemicals in extinguishing oil and gasoline blazes.

Madison volunteers showed the use of gas masks and gave a hose laying demonstration, and Venice volunteer firemen gave a magnesium blaze demonstration along with hose laying and loading and the use of a fire curtain.

Army Depot firefighters gave demonstrations on use of sprinklers, spotting pumps and hooking up hose, operating pressure, drafting water and skid loads.

A luncheon at the officers' club at the depot followed the school.

Court-Appointed Workers Eliminated from IMRF

The Illinois Municipal Retirement Fund board has eliminated circuit court appointees and their employees from its rolls, effective last July 31, according to a special memorandum sent to county officials last week. Included are probation officers, public defenders, their staff employees and others appointed by circuit court judges.

James Reidelberger of Venice, chief Madison county probation officer, said the ruling affects 500 to 600 probation personnel in the state, including 11 on his staff. He said the ruling will be fought, and the Illinois Probation, Parole and Correctional Association will meet this week to consider the type of legal action to take.

IMRF cited an opinion by the attorney general of Illinois advising that persons appointed by the judges are not county employees, even though they are paid by the county funds.

The IMRF trustees stated that such employees are no longer eligible to participate in IMRF.

Rural Youth Conference Planned in Washington

Conditions affecting rural youth will be spotlighted Oct. 23 to 26 in Washington, D. C., at the first National Outlook Conference on Rural Youth. Sponsored by the President's Council on Youth Opportunity, headed by Vice-President Humphrey, and five federal agencies, the conference is designed to promote state and local action to better meet the needs of rural young people.

Humphrey termed the conference "an important step in the national campaign against poverty, under-education and under-employment."

Invitations to participate will be extended to about 750 persons from more than 100 public and private organizations and agencies throughout the nation. Delegates will be chosen to represent as adequately as possible the thousands of individuals and groups unable to be included in the necessarily limited attendance.

Venice Tax Levy Drops; May Cut Rate 4-5 cents

The Venice city council adopted Friday night a 1967 tax levy of \$427,788, resulting in a projected reduction of from four to five cents in the tax rate for next year.

The new levy is \$33,330 below the 1966 levy of \$461,118 and is based on the city's recently approved 1967-68 operating budget of \$460,200.

City Atty. Harry Hartman told the council he expects the new low levy to establish a tax rate of about 99 cents per \$100 assessed valuation for all city operating purposes. The 1966 rate on which taxes were collected this year was \$1.03.

Hartman pointed out that the difference between the amount of the tax levy and the total of budgeted expenditures is made up from city income other than taxes — license fees, sales tax, motor fuel tax funds, court fines and similar revenue.

Gates \$30,124 in Taxes

The council was informed during its regular session that Venice received \$30,124 in 1966 taxes Friday in a distribution by Township Tax Collector Frank Reindberger Jr. The amount included \$27,924 in taxes on the city's \$250,000 in the city's share of township road and bridge funds.

Council members, on recommendation of George Mangiarini, chairman of the Finance Committee, approved a recommendation of four juvenile officers in the Venice police department. Named to the posts are Jack Fields, John Kettel, Charles Mize and John Crook. Prior to the action, Fields was the only juvenile officer on the department.

The move was prompted by Police Chief John Estacion as a means of having a juvenile officer on duty during each of the shifts. Within the last few weeks police have handled an unusually large number of juvenile cases.

The council also approved a proposal to call bids for a new fire pump for Mayor Lee informed the aldermen that the pump in the old fire department pump is non-operative. Mayor Lee pointed out that it takes at most a year to obtain delivery of a new pump and that action should be taken now. The Fire and Water committee was instructed to meet with officials of the fire department to draw up specifications with a view to award calling bids in the next council session Sept. 1.

Mitchell AC Festival to Finance Recreation Fields, Bldg.

The Mitchell Athletic Club which is sponsoring its annual fundraising festival next Saturday and Sunday received extra financial assistance Saturday morning when a check for \$55 was presented to them by the organization for Community Action.

The AC plans to develop a tract recently leased from the East Side Levee and Sanitary District at Old Alton and Maryville roads, and the check presentation was made at the site by Emil Ross, president of the OCA.

The fall festival on Saturday and Sunday is to be on the parish grounds of the old St. Elizabeth Church at Mitchell and will feature booths and rides.

Gayland Waldo, Mitchell AC treasurer who received the check from Ross, said the funds are to be used not only to develop soccer, football and baseball fields on the tract but also to erect a building for a recreation center, to provide space for meetings and teen town dances.

Already this year, the Mitchell AC has spent \$3100 on upkeep of baseball diamonds and to buy uniforms for youngsters taking

part in the recreation program. Most of the funds are derived from the annual fall festival.

Ross heads the organization that was instrumental in getting the OCA treasury and the members felt it should go to the Mitchell AC to aid its program for youngsters.

Renew Drive Against Refrigerator Danger

A renewed drive against abandoned refrigerators which present a threat to the safety of playing children was inaugurated by the Venice city council Friday night after three refrigerators with doors intact were found within a ten-day period.

The proposal was made by Alderman Charles Hampton, who said he had police springing the door of an abandoned refrigerator that he saw in an alley two weeks ago, and that he removed the door of another he found in a Venice alley. Both of these units had working doors and catches that could have endangered children, Hampton said.

The aldermen said he reported to police a freezer unit located on the back porch of a vacant house. Police sprung the door on this unit, Police Chief John Estacion told the council.

Mayor John S. Lee remarked that a constant alert for this danger should be maintained and noted that once a "public scare" dies out the danger, which is at ways present is more or less ignored. Chief Estacion said he had another refrigerator found in a Venice alley. Both of these units had working doors and catches that could have endangered children, Hampton said.

Miss Tourse, Ralph Rotter Exchange Wedding Vows

Bouquets of yellow and white gladiolus and pom poms decorated the altar of Sacred Heart Catholic Church Saturday morning for the wedding of Miss Mary Rose Tourse and Ralph William Rotter Jr.

The parents of the couple are Mr. and Mrs. Louis Tourse, 2304 Hodges avenue, and Mr. and Mrs. Ralph Rotter, 2717 Washington avenue.

Rev. Steve Schoeneweis, a cousin of the bridegroom, officiated at the 11 o'clock ceremony. The double-ring service was used.

Mrs. Margaret Crawshaw presided at the organ and accompanied the soloist, Mrs. Alice Worthen, as she sang "Ave Maria," "O Perfect Love" and "Mother At Thy Feet We're Kneeling."

The bride was escorted by her father, who gave her in marriage.

She wore a gown of white satin peau de soie featuring an A-line skirt. Made by the bridegroom's maternal grandmother, the bodice, styled with a square neckline, was covered with re-embroidered Alencon lace which also formed the bell sleeves.

A detachable train was also embellished with lace motifs. A headpiece made of a cluster of lace leaves edged with pearls and sequins held in place the bride's veil of illusion, and she carried a cascade bouquet of white roses, stephanotis and variegated ivy.

Miss Therese Pisel, a former classmate of the bride, was a maid of honor, and Miss Cathy Boland, another classmate, and Miss Kathryn Rotter, the bride's sister, served as bridesmaids.

They wore identical gowns of tulle and crepe. The Empire bodices were covered with daisy lace, and small bows held in place the trains. All carried cascades of yellow and white daisy 'mums and ivy. The daisy motif was repeated in their headpieces and veiling.

Martha Arnold, flower girl, a cousin of the bridegroom, was dressed like the older attendants. She carried a white wicker basket of yellow and white carnations.

James Rotter was best man for his brother, and Thomas Rotter, another brother, Wesley Custer, the bride's cousin, Donald Stovick and David Hoedebeck made up the list of groomsmen and ushers.

For her daughter's wedding Mrs. Tourse chose an A-line beige lace dress with accessories of pink and a corsage of pink sweetheart roses. The groom's mother was in a two piece green crepe dress and darker green accessories. Her flowers were yellow Sweetheart roses.

A reception was held at the American Legion hall after the ceremony. Among the out-of-town guests here for the wedding were Mr. and Mrs. W. F. Dillon of Riverside, Calif., an aunt and uncle of the bride.

Members of the wedding party were entertained at a rehearsal dinner Thursday evening by the bridegroom's parents.

After a trip to Colorado, the couple will be at home here after Sept. 4.

The bridegroom was graduated from St. Louis University magna cum laude with a Bachelor of Science degree. He will teach mathematics and chemistry at the Granite City high school this fall. The former Miss Tourse, a recent graduate of DePaul Hospital School of Nursing, has been employed there.

Lambert-Gittings Wedding Ceremony in California

An out-of-town wedding of interest here was that Saturday in Napa, Calif., of Miss Tevi Gittings, a daughter of Mr. and Mrs. S. E. Gittings, Auburn, Calif., and Donald Lambert son of Mrs. Roberta Lambert, 3724 Nameoki road, and Donald Lambert, Belleville.

The wedding took place at St. Thomas Aquinas Roman Catholic Church at 11 a.m. The Rev. John Monagle officiated at the double-ring ceremony.

A simple Empire styled gown of silk linen with a scoop neckline outlined with delicate lace trim was worn by the bride. A face bow held in place a tiered shoulder length silk illusion veil. A cluster of white roses, daisy mums and baby breath were combined in the brides cascade bouquet. She was given in marriage by her father.

Mrs. Bob Haworth was the bride's only attendant. She wore in a pale green dotted Swiss dress, styled on simple lines with small puffed sleeves and carried a bouquet of white daisies, mums and baby breath.

Sam Gitting Jr., brother of the bride, served Mr. Lambert as best man.

A reception was held at the ranch of the bride's aunt at 4211 Silverado Trail in Napa, Calif., and the couple left for a honeymoon in Sausalito, Calif.

The former Miss Gittings, a graduate of Placer high school in Auburn, Calif., was graduated from Cotter College, Nevada, Mo., in June.

Mr. Lambert was graduated from Assumption high school, East St. Louis, and will return to the University of Missouri at Rolla, Mo., to complete his senior year in Mechanical Engineering. He is a member of the Sigma Nu Social fraternity, Blue Key National Honor fraternity, Theta Tau National Engineering fraternity and the American Foundrymen's Society. During this past summer he was employed at the American Steel Foundry in the drafting department.

The newlyweds will make their home at 507 West Tenth street, Rolla, Mo., after the wedding trip.

MRS. RICHARD L. BLEDSOE, the former Paula Hays, a daughter of Mrs. Laura Hays, 3148 Jill avenue, who was married Saturday at Third Baptist Church.

Wed Saturday At St. John

A group of officers and other members of the Granite City Business and Professional Women's Club, headed by the president, Mrs. Mary Batson, attended a meeting of District 11, BAPW at the county court house in Edwardsville Thursday evening. During the meeting plans were initiated for the Illinois State Convention to be held in St. Louis next April.

The same group attended a monthly dinner meeting of the Alton Club at Hotel Stratford earlier in the week at which a hair style show featuring the culture for fall and winter.

"The Living Doll" was presented. A short executive meeting of the Granite City Club was held at the hotel after the show.

Bledsoe and Hays Wedding Is Double-Ring Ceremony

Miss Paula Hays and Richard L. Bledsoe exchanged wedding vows in an evening ceremony taking place Saturday at Third Baptist Church.

The bride is a daughter of Mrs. Laura Hays, 3148 Jill avenue. Mr. Bledsoe's parents are Mr. and Mrs. Edgar Bledsoe, 2557 Center street.

The double-ring ceremony was performed by the Rev. Eugene Phillips at 7:30 p.m. in a setting of candlelight, white and yellow flowers and greenery. The candles were lighted by Debbie Heil, a niece of the bridegroom, and Barbara Hilt, a cousin.

Mrs. Julia Lorentz presided at the organ and accompanied the soloist, Bill Rainwater, as he sang the Lord's Prayer and "All The Things You Are."

The bride was given in marriage by her brother, Ted Brazel. She wore a sheath gown with an Empire bodice of white crepe. Elbow-length bell sleeves were of the bodice, buttoned and cured a tiered bouffant veil of silk illusion.

A full train falling from the waistline in the back, was topped with a self bow, and a headpiece of organza and petaled lace secured a tiered bouffant veil of silk illusion.

The bride held a nosegay of stephanotis and white orchids. Miss Sharon Luebert, maid of honor, wore a cluster of miniature yellow roses in the center.

The bride's attendants, Miss Sonnetta Leathernan, maid of honor, and bridesmaids, Miss Charles MacMillan, Miss Pat McKinney, Miss Gloria Burich and Miss Sharon Luebert, were dressed alike in gowns with yellow A-line skirts. Empire waists were a cluster of miniature yellow roses in the center.

Mayor Gives Welcoming Dinner for Miles Lab Officials

Top officials of Miles Laboratories, Inc., were welcomed to Granite City Thursday evening at an informal dinner given at the Rose Bowl by Mayor Partney.

The mayor explained he is endeavoring to entice the office staff of Union Starch & Refining Co., main headquarters at Columbus, Ind., to move to Granite City when the transfer of the home office to the local plant is undertaken.

Announcement of the transfer was made earlier Thursday by officials of Miles Laboratories, who said the 70 employees were being given a choice to relocate here or at the Miles offices in Elkhart, Ind.

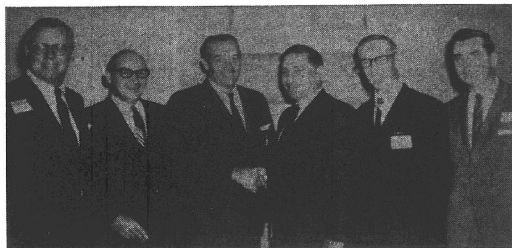

Also present at the dinner were local civic, business and financial leaders, and in making introductions, Mayor Partney pointed out that Granite City has the finest schools and parks as well as modern businesses and homes to attract new residents.

In reply, Joseph H. Hoyt, corporate group vice-president and chairman of the board of Union Starch, and Lehman F. Beardsley, vice-president of Miles Laboratories, said they had "looked over the city" before the dinner and found it to be pleasant and attractive. "The people coming here will enjoy being here, I'm sure," Hoyt added.

The move of Union Starch headquarters from Columbus, Ind., to Granite City is to provide for closer coordination and management in the administrative, sales and manufacturing functions. Hoyt explained, adding that his firm has found it pleasurable and fascinating to be in the corn business.

The syrup house at the local plant currently is being renovated to provide the added offices to be needed here.

Other guests were Earl Yengley Jr., senior attorney for Miles Laboratories; Paul Campbell Jr., director of industrial rela-

Karandjeff to Address Clergy at Conference

Ernest A. Karandjeff, president of Granite City Trust and Savings Bank, has accepted an invitation to address conferees attending a "Clergy Economic Educational Conference," the first such seminar to be held in southern Illinois.

The four-day series of special meetings, sponsored by Southern Illinois University-Southwestern campus, will take place Aug. 27-30, at Pere Marquette State Park lodge, near Grafton.

The local banker plans to review the total, national economic picture, specifically relating his talk on current financial trends and problems to the clergyman's own sphere of activities.

James Anthony Dusek Is Christened

James Anthony Dusek, infant son of Mr. and Mrs. Gerald Dusek, Collinsville, was christened Sunday morning at Mother of Perpetual Help Church in Maryville. The Rev. J. H. Schwener officiated. The godparents were Mrs. Marilyn Price and Joseph Thomas.

Mr. and Mrs. Dusek, former Quad-City residents, entertained guests at their home after the christening.

SW Conference Loaded With Talent, Coach Says

"Loaded with potential Big Ten and Big Eight college football talent" is the way Jim Morrison, Granite City high school head gridiron coach, described this year's seven high school football teams which comprise the Southwestern Illinois Conference.

He predicted that the coming fall season will be the greatest the SW Conference has enjoyed to date.

Morrison, who is beginning his fifth year as head football men- tor at the local high school, the start of practice sessions this week, spoke Thursday afternoon to Granite City Optimists at a weekly meeting, in the YMCA.

Special guests at the luncheon also included members of the Optimists-sponsored park district baseball team, winners for two consecutive years of the midwest division championship in league competition. Each of the ten- to-12-year-old boys received a trophy in recognition of the two-year feat.

Disclosing to club members that the 1967 Warrior gridiron squad will be the "fastest team we've had at Granite High for several years," Morrison said, "our primary concern will be to overcome the losses experienced last season."

In 1966, the Warriors finished with a two-win, seven-loss record compared to winning seasons of 5-3-1 in 1965; 7-3, 1964; and 5-4 in 1963.

Despite the disappointing season last year, Morrison com- mented, "the 1966 GCHS Warriors never quit. They always came back to try again." Eleven lettermen will return to play for Granite High this season.

"What makes a champion is the heart," the football coach said. "One must train the heart to conquer and handle failure. This is the key to becoming a champion in athletics or in any field of endeavor," he added.

Introduced by John Dreyes, program chairman, Morrison in- troduced present members of his coaching staff. Those who will guide the GCHS football team

this season, include Gordy Gab- breath, Stan Wojcik, Leon "Ruse" Chappell, Bob Stegmeyer and Tom Wyroskie.

Carl Roach, representative for the Optimist baseball program, introduced a team manager, James Boone and Walter Mel- ton, who expressed apprecia- tion to the club for its support.

Roach made the trophy presen- tations to the young ballplayers.

Dr. Raymond E. Troyer, Opti- mist president, who presided, also welcomed Barry Loman, president of the Granite City club, who attended the luncheon as a special guest.

Rev. Robert J. Baumann, pas- tor of St. Peter United Church of Christ, conducted a memorial service for Floyd T. Mitchell, club treasurer and a past presi- dent, who died unexpectedly Aug. 18 at Monterey, Calif., fol- lowing his retirement from Illi- nois Power Co., the previous week.

Plans also were completed at the executive session for a bar-becue and social evening Thurs- day, Aug. 31, at the home of Donald Z. Farrington, local au- tomobile dealer. The event will replace the regular noon lunch- eon, previously scheduled for the same day, Dr. Troyer said.

'Y' to Sponsor Youth Trip to Cards-Mets Game

YMCA Youth Director, Charles Hasse, announced today that the Youth Department will sponsor a summer trip to Busch Memorial Stadium, to see the first place baseball Red Birds play the New York Mets.

The trip will be made Tues- day, Aug. 29, and the game is an 8 p.m. contest. The age group for the game will be 8-16 and the price will be \$1 for "Y" mem- bers and \$1.25 for non-members. This price will cover the ticket and transportation.

The bus will leave the "Y" at 6:30 the night of the game.

Kirchner's Take 2 from Brighton

Kirchner's warmed up for the finals of the Illinois State Fast Pitch Softball Tournament beginning Saturday in Urbana by whipping Brighton in both ends of a doubleheader at Wilson Park Sunday night.

Tom Ferguson's three-run blast gave Kirchner's some elbow room in the early going of the first game, and they needed all of it as they hung on to edge Allen's A.S.A. Class "B" fast-pitch runner-ups 7-6.

In the second game, Kirchner's coasted to a 7-0 victory behind Jerry Shelton's three-hit pitching. Norm Grote and Bill Evans each had two singles and George Sykes a double to pace Kirchner's nine-hit attack.

Kirchner's have a last warm-up on Wednesday when they travel to Gillespie for a doubleheader against the Alton regional champs.

On Saturday at 6 p.m., the finals of the State tournament will begin. If Kirchner's goes unbeaten, they will play Saturday night, 2:15 p.m. and 7:30 p.m. Sunday.

GC Tax Payments To Top \$6,700,000

Local collection of Granite City tax bills was ended Friday by E. P. "Pat" Rich, city treasurer, who said payments made at the Granite City hall tax office will exceed \$6,700,000, or about 92% of the total of \$7,272,795 charged for collection.

Granite City tax collections got under way June 26 and until last Thursday amounted to \$4,245,000, Rich said. Large payments Thursday and Friday by industrial and business firms, however, brought the payments to \$6,700,000.

Added to this will be payments sent in by mail which will be recorded during the next few days, Rich explained. A detailed report of collections will be completed within the next few days.

Mrs. Anna Fischer, 80, Dies; 22-Year Resident

Mrs. Anna Fischer, 80, of 1637 Spruce street, succumbed to an illness of several years at 9:50 a.m. yesterday at St. Elizabeth Hospital, where she was a patient seven days. She had been hospitalized on several previous occasions.

Born in Hungary, Mrs. Fischer resided here 22 years. Prior to that time she had lived in St. Louis. She was a member of St. Joseph's Catholic Church and the Austrian Women's Verein Lodge No. 1 of St. Louis.

Surviving are her husband, Steve Fischer; two sons, Otto Fischer of Granite City and Louis Fischer of Belle Garden, Calif.; one daughter, Mrs. Jack (Margaret) Banjak of St. Louis; one sister, Mrs. Mike (Mary) Glawson of Chicago; one great-grandchild and one great-grandchild.

Funeral arrangements are given in today's obituary column.

Martha R. Hardy, Twin, Lives 2 Hours, Dies

One of twin daughters born Friday afternoon to Mr. and Mrs. Horace Hardy died at 4:20 p.m. Friday at Christian Welfare Hospital, East St. Louis. She was Martha Ruth Hardy, who lived only two hours.

The infant is survived by her twin, her parents, Horace and Ruth Hardy of 2025 Twelfth street; and half-brothers and sisters, Mrs. Dana (Eugenia) Crader of Madison, Mrs. Bruce (Glynis) Henderson of Granite City, William Hardy, Ralph Koller, Janice Lee Koller and Betty Koller, all of Granite City and grandparents, Mrs. Effie Cleveland of Granite City and Mrs. Mollie Hardy of Flat River, Mo. Funeral services were held this morning. Further information is given in today's obituary column.

MRS. EDNA BRANSCOMB
Mrs. Edna Branscomb, 66, Dies in Belleville

Mrs. Edna A. Branscomb, 66, of 2520 East 27th street, died unexpectedly at 8 p.m. yesterday at Belleville Memorial Hospital, where she had been taken by ambulance six hours earlier after suffering an apparent heart attack. Her husband, Isaac Branscomb, owns and operates a lawn mower sales and service business at their residence.

Mrs. Branscomb was visiting a cousin in Belleville, collapsed shortly after finishing a midday meal. She was believed to be in good health and had not complained of feeling ill prior to experiencing severe chest pains. Born in Granite City, she had resided here her entire life. Mrs. Branscomb was a past president of Tri-City American Legion Auxiliary, Post 113, and a past noble grand of Julia Rebekah Lodge 477. She also was a member of St. John United Church of Christ and the Hilltopper's Senior Citizens' Club of St. John.

Besides her husband, also surviving are two sons, Raymond E. Williamson and Jerry L. Williamson, both of Granite City; one daughter, Mrs. John (Irene M.) Wolcott of Seattle, Wash.; a stepdaughter, William E. Branscomb of Bloomfield, N. J.; a stepdaughter, Mrs. John (Ruth) Hill of Collinsville; one sister, Mrs. John (Viola B.) Smith of Granite City and 15 grandchildren. Her parents, Archie and Anna Allison of Granite City, preceded her in death.

Funeral arrangements are given in today's obituary column.

Ten Hurt in 28 Quad-City Area Traffic Mishaps

Three persons were injured in one accident and two others in another to account for half of the weekend injury toll in Quad-City area traffic mishaps. Ten persons were injured in seven of 27 area-wide accidents.

Three persons were injured in a head-on crash of two autos at Nameoki and Edwardsville roads about 10 p.m. Friday during a downpour of rain. Robert Fohne, 41, of Collinsville, who was admitted to St. Elizabeth Hospital with cuts to his chin and left hand, was charged with improper lane usage.

Police said Fohne's car was involved in a collision with an auto driven by Donald Connor, 30, of 212 Cambridge avenue. Connor and a passenger, Jack Gagliano, 48, St. Louis were treated for facial cuts.

Highway Crash Injured 2
Two Granite Cityans suffered neck and back injuries Saturday when their auto was struck from the rear on State Route 35 at Route 162.

Mrs. Dixie Gergen, 19, of 2330 Benton street, said she had stopped the car at the stop sign when it was struck. Also injured was Miss Linda Deem, 19, of 2812 Palmer avenue. The other driver gave Mrs. Gergen a slip of paper with her name and a telephone number at 212 Cambridge avenue. Mrs. Gergen has been unable to contact the other driver.

Ben Chin, 23, of East Alton, was injured when an auto in which he was riding, driven by Robert E. Hunter, Springfield, collided with another driven by Jack Corey, 1923 Harris street, Madison, at 1:55 p.m. Thursday

at Edwardsville and Nameoki roads.

Three-Car Accident

Mary Koller, 33, of 2724 Angela drive, was charged with careless driving Saturday afternoon following a three-car accident on Pontoon road near Vine blvd.

Police said her auto struck the rear of the car of Ollie Miller, 64, of 2411 Madison avenue, who suffered minor injuries, knocking the Miller car into the auto of Clarence Hoy, 46, of 2309 Lynch avenue. The Hoy and Miller cars were stopped.

Albert E. Paul, 28, of 2034 Adams street, was injured about 6:00 p.m. Friday when his auto went out of control on wet pavement in the 2200 block of Missouri avenue and hit a parked truck. Police said the truck belonged to Roy Kinder, 504 Evergreen avenue.

Kevin Boyd, 11, son of Mrs. Alberta Boyd, Apt. 31 Lee Wright Homes, Venice, suffered injury to his right leg and hip in a freak accident Saturday afternoon at the automatic car wash on Broadway, Venice.

The boy, who was given treatment at the hospital, was hit by the door of an auto when the door was knocked off the car of Ephraim Burrell of Brooklyn as the auto rolled into a post.

Burrell said he had the left front door open while he was cleaning his car and thought he had it in parking gear.

Injured in St. Louis
Mert McDaniel, 40, of 2833 Circle drive, was treated and released from St. Elizabeth Hospital at 7:25 p.m. Friday after being involved in an auto accident at Taylor and Manchester roads in St. Louis. McDaniel complained of head and back injuries.

McDaniel said that Roy Moise, St. Louis, rammed into the rear of the McDaniel car as he was slowing for a stop sign. McDaniel

GC Man is Charged After Cutting Incident

A charge of aggravated battery was placed yesterday against Kenneth Neal Knott, 28, 2055 Cleveland blvd., following a cutting incident at his home about 12:30 a.m. in which his brother-in-law, Curtis Lewis, 26, of 4125 Division street, suffered a severe stomach wound and cuts to his face and arms, inflicted with a pocket knife.

Knott, who summoned police after Lewis left to go to the hospital, said he was asleep when Lewis arrived and began beating him over family matters. Knott said he pulled the knife from his pocket to defend himself. The knife had a three-inch blade.

Police have been unable to talk to Lewis, a local biscuit firm employee. He is in the intensive care unit at St. Elizabeth Hospital. His condition was listed as fair today.

Knott's son, Lindy, in the car with him at the time, was unhurt.

Delmar Hewlett, 57, Dies of Heart Attack

The family of Delmar Hewlett found him dead on the kitchen floor at home about 1 p.m. Friday when they returned after a three day visit with relatives at Murphysboro.

First to enter the home, 815 Staunton avenue, Madison, was an 11-year-old son Keith, who ran ahead of his mother and brothers and summoned an ambulance. Mr. Hewlett, 57, was pronounced dead upon arrival at St. Elizabeth Hospital. It is believed he had collapsed and died of an apparent heart attack about 24 hours earlier.

Mr. Hewlett, a molder at General Steel Industries for 30 years, had remained home to work while his family went on the visit. He was a native of Bush, Ill., and resided in the Quad-Cities about 37 years.

Survivors include his wife, Edith; six sons, Lowell Wayne, Thomas, Gary, Keith and Kevin Hewlett, all of Madison, and Billy Dean Hewlett of Granite City; two daughters, Mrs. Kay Mullen of Granite City and Mrs. Carl of McClure of Madison; three sisters, Mrs. Alene Reagan of Granite City and Mrs. Gladys Hancock and Mrs. Mildred Walker, both of St. Louis, and eight grandchildren.

Funeral services were held this afternoon. Further information is given in today's obituary column.

10 Drivers Charged, Police Use Radar Unit

Nine drivers were charged with speeding Thursday and another on Friday morning as traffic division police operated radar units along Nameoki drive, Pontoon road and Madison avenue.

They are Clyde E. Stephens, 2653 Nameoki drive; John J. Archer, East Alton; Edward Denham, 2423 Terminal avenue; John F. Hillmer, 1670 Third street, Madison; Larus B. Michel, 2208 Delmar avenue.

John R. Lindsey, Collinsville; Ernest A. Brown, 2546 Hemlock street; Roy L. Gray, 2448 Pine street; David E. Cornett, 4140 Division street; and Charles E. Adams, 4558 Nameoki road.

Courses to Open at GCHS In Industrial Management

Weekly industrial management courses conducted by Southern Illinois University-Southwestern campus will resume Sept. 18 at Granite City senior high school. Sponsored by the Technical and Adult Education Division, the four courses and the days they are offered are Illinois Labor Law—Monday, Industrial Engineering for Foremen—Wednesday, Reading Improvements—Thursday and The Supervisor and His Job—Tuesday. Classes meet on the appointed day from 7 to 10 p.m. for ten weeks. Registration is Thursday, Sept. 7, from 8 a.m. to 4 p.m. and from 6:30 to 8 p.m. at the Adult Education Office, Room 147, Granite City high school. Completion of eight courses in the program entitles the student to a certificate in industrial management. A special arrangement for workers on rotating shifts continues in effect. They are given special assignments to make up for classes they have to miss. Cooperating with the University in presenting the industrial management program are the local high school and the Manufacturers' Association of the Tri-Cities. Further information is available from Dale Blount of SIU's Technical and Adult Education Division, 602-3560, area code 618, Edwardsville. Classes end the week of Nov. 20.

Police of 2 Cities Join Forces to Arrest Motorist

An Army Depot soldier operating a government-owned sedan who was chased through Madison and into Granite City was halted when hemmed in by cooperating Granite City police cars at 19th street and Madison avenue Saturday night and faces seven charges.

A Madison police officer first saw the speeding auto as it struck a parked auto at 10th street and Madison, knocking it into the middle of the street.

The chase at a 65 mph speed was over Washington avenue, Grand avenue, 14th street and Madison avenue in Madison when a second Madison patrol car joined in.

A Granite City police car moved in at 15th street and another tried to block the speeding Army car at 17th street. The officers at the road block fired three warning shots in the air.

The chase came to a halt at 19th street, where the military vehicle was hemmed in by police cars.

Upon alighting, Timothy Murphy, 19, of the Depot, was turned over to Madison police.

He was charged with leaving the scene of an accident, careless driving, speeding, fleeing police cars and running stop signs at 12th and Washington, 14th and

Registration This Week For Adult HS Classes

Registration for evening school classes which will give school credit will be conducted this week in Room 105 at the senior high school building, 3100 Madison avenue.

Lawrence McCauley, principal, said adults who work nights may register from 8 a.m. to 4 p.m. from Tuesday through Friday. Enrollment also will be conducted weekday nights from 7 to 9 p.m. through Aug. 31.

Adults who have attended other high schools and who live in the Granite City school district should have official transcripts of their high school credit sent to Granite City high school before enrolling, McCauley said.

LUTHERAN WOMEN PLAN FAMILY PICNIC

The August meeting of the Lutheran Women's League of Hope Lutheran Church was held Thursday evening at the church and was opened with a hymn sung by the members.

"The Congregation at Work in the Community" was the topic, and was presented by Mrs. Henry Soehnlin.

A business meeting followed with Mrs. Soehnlin, president, presiding. Committee reports were submitted by Mrs. Frank Champion, Mrs. Ernest McDonald and Mrs. Clarence Schuber.

Mrs. Soehnlin announced the annual LWML family picnic will be held at the Lutheran Recreation Center at Waterloo, Ill., on Sunday, Aug. 20.

The remainder of the meeting was spent in discussing plans and projects for the coming year.

The hostesses, Mesdames Frank Champion, Delmar Frech, Ernest McDonald, Henry Soehnlin and Raymond Schuber, served refreshments at the close of the meeting.

Each member answered the roll call with a Bible verse.

Also present were Mesdames Arnold Meyer, Carl Reiske, Louis Rousseau, Grady Underwood, Edward Durbin, William Zimmer and guests Miss Mary Klug, Rev. Alvin Kollman and Donald Rousseau.

The fall meeting will begin on Sept. 21 at the church.

CANDLELIGHTERS MEET WITH MRS. BROWN

The Candlelighters Card Club met Thursday evening with Mrs. Shirley Brown 1632 Moro avenue, for a monthly gathering.

Pinchols was played, and prizes went to Mrs. Norma Loftus, Mrs. Doris Thompson, Mrs. Donna Hogan and Mrs. Bette Res.

Mrs. Brown served a fresh fruit salad and dessert luncheon, following the games. She used a summer theme in her table decorations with a red and white checkered tablecloth. Red miniature pots shaped like an old iron

kettle served as candle holders were placed on each side of an arrangement of fresh cut red roses in a white milk glass vase.

Also attending the meeting was Mrs. Arlene Laub.

The next meeting will be Sept. 7 in the home of Mrs. Hogan, 3206 Wilshire drive.

MRS. SPARKS HOSTESS TO JOLLY TWELVE CLUB

Mrs. Agatha Sparks was hostess Thursday afternoon to the Jolly Twelve Club, in her home 2702 East 24th street, for their semi-monthly meeting.

A new member, Mrs. Helen Love, was enrolled, and a noon luncheon was served by the hostess.

The afternoon was spent in playing pinchols, and prizes went to Mesdames Marceline Jung, Laura Lewis, Jean Barnes, the hostess, Helen Love and Myrtle Ryan.

The club will meet again Aug. 28.

31 in the home of Mrs. Barnes 1720 Primrose avenue.

Navy Mothers Plan Annual Tag 'Days'

Quad-City Navy Mothers 850 met Thursday evening at the VFW hall with Commander Hazel Jones in charge. Twenty were present.

Plans were completed for Sailor Boys Tag days Aug. 31 and Sept. 1, and a donation was made to the Jefferson Barracks Hospital for comic books and spray paint.

The pillow case project was won by Joe Hefferly and the mystery package went to Mrs. Marylee Brown.

Mrs. Vernetta Paul and Mrs. Hazel Jones were hostesses and prizes were awarded to Mrs. Nellie Dix, Mrs. Edna Barsley and Mrs. Della Rabb.

Plans were made by the group to take a lap robe and a scrapbook of comic strips to the State Convention in Decatur for exhibition and to be sent to a veterans' hospital. The next meeting of the Navy Mothers will be held Sept. 7.

WHITEY GLEASON and JUBILEE QUARTET

Whitey Gleason's Jubilee Quartet will appear at the UNITED NAZARENE TENT CRUSADE at highway junction 111 and old 40 in Fairmount City, August 20 through August 27, 7:30 nightly.

The Jubilee Quartet was originally organized in the spring of 1959. With Oklahoma City as home base the quartet traveled far and wide, making personal appearances in churches and civic auditoriums. Radio and television gave them added exposure to gospel-singing fans across America.

In 1963 the fellow separated temporarily, but remained in their chosen field. Whitey Gleason went to the Blackwood Brothers Quartet as pianist. Buddy Campbell and Norman Huxman became members of the Weatherford Quartet. Dale McCoy became minister of music for a church in St. Louis. In the spring of 1966 Whitey Gleason reorganized the group, securing the services of tenor Cal Freeman, formerly with both the Blackwood Brothers and Statesmen Quartet.

GO TO CHURCH SUNDAY

MRS. ALBERT T. AMLUNG, a bride of Saturday wedding at Westview Baptist Church in Belleville she was Carol Lee Smith, a daughter of Mr. and Mrs. C. L. Smith of Belleville, formerly of Granite City.

Miss Carol Smith is Bride Of Albert T. Amlung Jr.

Another of the out-of-town weddings taking place over the weekend was that of Miss Carol Lee Smith and Albert T. Amlung Jr., Saturday afternoon at Westview Baptist Church in Belleville.

The bride is a daughter of Mr. and Mrs. Chapply L. Smith, 1421 S. Illinois street, Belleville, former Granite Cityans. Mr. Amlung's parents are Mr. and Mrs. Albert T. Amlung, 8 Cherry Tree lane, Belleville.

Dr. Eugene Daily performed the ceremony at 3 o'clock.

A gown of white organza over taffeta was worn by the bride. The Empire bodice and cape sleeves were lavishly trimmed with reemboirdered Alencon lace and the detachable mantle train was edged with matching lace. A bouffant veil of illusion was secured with an organza flower trimmed with more of the lace and edged with seed pearls and crystals. White roses, stephanotis and a white orchid were used in the brides cascade bouquet.

Miss Beverly Vaughn of Granite City, maid of honor, and Miss Deborah Smith of Belleville, bridesmaid, were the bride's attendants.

They wore floor-length dresses of blue linen with A-line skirts. The Empire bodices and short kabuki sleeves were overlaid with white Venice lace and sequined necks were set off in the back by small bows. Matching veils were secured with forward clusters of hairbraids loops and lilies of the valley. Their flowers were blue carnations.

Robert Kurrelmeyer of Belleville was best man. Jack Kurrelmeyer, also of Belleville, and Billy Parker of Granite City served as ushers.

The bridegroom's father is employed as personnel director for the Tri-City Grocery Co. in Granite City. The bride's father is employed at the Granite City Army Depot.

CALLS FROM HAWAII

A recent telephone call was received from Marine Lt.-Col. Robert L. Lindsey, husband of Mrs. Modena Lindsey of Staunton, Ill., formerly of Granite City. Lindsey called from Hawaii where he was on rest relief from Vietnam.

Lindsey is to return to the U. S. about Oct. 1 after spending one year in Vietnam. Mrs. Lindsey is the daughter of Mr. and Mrs. Clyde Murphy of Staunton, formerly of Granite City.

SUNBEAM FAMILY NIGHT

The Sunbeams of Second Baptist Church observed their annual family night Thursday evening. Mrs. Betty Lewis, director was in charge, and special guests were the Primary Choir of Grace Baptist Church. The choir of boys and girls was directed by Mrs. Evelyn Thompson and was accompanied on the visit by Mrs. Betty Lewis, Mrs. Nadine Devine and Mrs. Betty Gonyea and Mrs. Billie Boyd. Several boys and girls gave recitations, and Mrs. Lewis made announcements of coming events for Sunbeams. The group enjoyed the breaking of a "Piñata" and each child received a toy, candy and gum.

A special attraction was a decorated Christmas tree to emphasize the "Christmas in August" project of the Sunbeams. Many gifts were placed under the tree during the evening to be sent to the Cuban refugee center in Florida.

Refreshments were served on tables centered with a miniature Christmas tree. The Junior G.A.S. of the church with the assistance of their leader Mrs. Wanda Moore served the refreshments.

Mrs. Ruby Mayberry, WMS president, gave prayer.

Monday-Washday or Holiday?

(Sparta, Ill., News-Herald)

Perhaps we're selfish, but we are happy to see that the United States Chamber of Commerce has come up with an idea that would cause all holidays—except the exception of Christmas and New Year's—to fall on Mondays.

We've been proposing this idea for a number of years. The Memorial Day holiday this year was a prime example of holidays which are not the work week. The Fourth of July, which also fell on a Tuesday this year, caused another lost week. Many workers take a long holiday week, missing work on Monday when a holiday falls on Tuesday.

If all holidays fell on Mondays, workers would get a long week-end without a mid-week interruption.

We favor leaving Christmas on Dec. 25, since it has long been established on that date. It would be difficult to celebrate New Year's on any date other than Jan. 1.

But other holidays, we feel, should always fall on Mondays.

Law on Confidential Sources

(Tri-City and Illinois Bar Associations)

The newspaperman in Illinois who declines to identify his confidential informants may expect to spend some time in jail, but not in prison. He does not enjoy the immunity against disclosure of confidences possessed under the law by the clergyman, the doctor, the lawyer and some legal authorities believe.

As it applies to the latter professions, the law says they need not testify to confessions, admissions and other confidential information received in the course of their ordinary ministrations to the penitent, patient or clients.

Were it opposite, the law would be a disaster to the professions would be nullified. The good offices of the spiritual adviser would be compromised. The patient would not give the doctor information he needs to accurately diagnose a disease or other ailment. The client would not tell his lawyer all he needs to know to properly conduct a case.

Federal Tax Questions, Answers

(Internal Revenue Service)

Q—I still haven't received my refund. What could be holding it up?

A—Most returns calling for refunds have already been processed and the checks mailed out. By early summer, IRS had processed a total of 40 million refund checks amounting to over \$7 billion. The number of refund checks issued so far is 13% greater than for the comparable period last year.

The major delay in processing refund claims have been inaccurate or incomplete returns, missing or erroneous Social Security numbers, failure to sign the return, and missing or incorrect taxpayer identification numbers.

Q—My son just received a scholarship for college. Will the money from this affect his status as our dependent?

A—No. Amounts received by a student from a scholarship for study at an educational institution are not taken into account in determining total support.

Q—I'm selling my home at a profit. Will I be taxed on what I profit?

A—Profits from the sale of a personal residence are generally taxable. Under certain conditions, a gain on the sale of a U. S. House of Representatives becomes law.

A bill initiated in the Senate also must pass both houses in the same form before it is submitted to the President. The steps:

(a) Introduction by a member, by placing the measure in the "hopper," a box on the clerk's desk, or by mail to the Government Printing Office and made available next morning at the document room.

(b) Referral to a standing or select committee—public bills and bills coming from the Senate, by the parliamentary under direction of the speaker, private bills on endorsement of the member.

They can master new math, and solve out lost privileges like a year-old.

They can, with real insight, love with a boy or girl because he or she is "cute."

And let us not dredge up that old argument that if a boy is old enough to fight for his country and die for his country, he is old enough to vote. His military life is organized and ordered by adults, and there is no real substitute in the bullets-and-balloons argument.

True, the young man who comes back from the wars is older and wiser than the boys and girls, but the new voting measure is not confined to these.

For Those Who Think Young

(Maui, Hawaii, News)

We are staunch supporters of the much maligned teenager. Contrary to many, we do not think that the world is a sorry way for the young people of today "ain't what they used to be."

At home and at work we have much contact with the people in question and they get E for excellent in our grading system. We find they are inquiring minds and boundless spirit, and they refuse to conform to conformity's sake.

We find them refreshing, exciting, sure of themselves and blessed as no other generation has been blessed.

Fluoridation Law Should Be Implemented Without Delay

While it is understandable that no deadline for water fluoridation compliance was set immediately after approval of the new state law, the Illinois Department of Public Health should move as swiftly as possible to implement it.

Most communities still lacking fluoridation water to receive its dental benefits—avoidance of two-thirds of future tooth decay.

But some are less eager, and may need to be prodded. If left to their own devices, they might "fiddle" with insurmountable technical problems and delays.

The start of fluoridation is urgent because each passing day brings with it more cost and pain for Illinois residents of all ages. For each new child born, it will matter greatly at any point in his life whether he has good or poor dental health.

State health officials should be reasonably patient with municipal and private water companies, but no more. They should expedite their preparations, with or without a nudge from the state.

Columns From the Past Reflect Frequency of Armed Conflicts

Nineteen seventeen . . . 1942 . . . 1967.

The 50 Years Ago column, the 25 Years Ago column and the current news pages of the Press-Record all contain word of armed forces inductions and reports on overseas conflicts.

Similarity of the dispatches is, to an extent, coincidental. There are some 25 years in Quad-City history when wartime parallels would not be found spaced 50 and 25 years apart.

But each generation unfortunately has failed to profit by the experiences of the previous generations, and tests of military strength have become the pattern. Now, with the Vietnamese war stretching over a long period of time, the question arises whether hostilities will be waged more, rather than a relatively few, years.

Nineteen seventeen . . . 1942 . . . 1967.

The pages of history, past and present, contain countless stories of conflict, but a tragic toll as well. What will the future bring?

Elbow Grease and the Cost of Living

(Ridgefield, Conn., Press)

The low prices on an old general store ledger like that which belonged to Curtis Fantom of Redd-

In 1965, it took 75,000 jobs for each \$1 billion of exports, compared with about 100,000 in 1964. U. S. exports, which reflect rise in output per worker during the five-year period.

The nearly three million jobs related to exports in 1965 accounted for about 4.7% of total private employment in the U. S.—roughly the same proportion as in 1960.

In some industries, export employment represented in 1965 a much higher proportion of total employment. For example:

—Agriculture, forestry and fishery industries, about 11.5%.

—Grains and other non-livestock farm products, 13%.

—Mining, 11%.

—Manufacturing, nearly 7%.

The ratios were considerably above average for several industries within the manufacturing sector:

—Construction machinery (25%); engines and turbines (20%); office, computing and accounting machines (15%); metal working machinery (11%); chemical and synthetic materials (10%); and nonferrous metals (10%).

In services, the ratios were only 3%, but transportation showed export employment of more than 11%.

Progress of Bill Through U. S. Congress Requires 20 Separate Steps

(Illinois Current Report)

How does a bill move through Congress?

The stages outlined here illustrate how a bill initiated in the U. S. House of Representatives becomes law.

A bill initiated in the Senate also must pass both houses in the same form before it is submitted to the President. The steps:

(a) Introduction by a member, by placing the measure in the "hopper," a box on the clerk's desk, or by mail to the Government Printing Office and made available next morning at the document room.

Stamp Law Will Help State Stamp Out Gambling Where Liquor Is Sold

Gambling and drinking have their advocates, and Illinois has seen much of both. But the state has taken a strong stand against combining the two; the theory may be that, just as in chemistry, some elements are all right alone but are troublesome when mixed together.

In this tradition, Illinois is making a new law making anyone holding a federal wagering stamp or federal gaming device stamp ineligible for a state liquor license. The Illinois Supreme Court previously ruled against such a ruling by the State Liquor Control Commission on the ground that the commission is not a legislative body; now, the General Assembly and governor have established a similar rule.

One line of reasoning may be that those who imbibe freely are at a disadvantage in defending themselves in an ostensibly "friendly" card game. Another may be that gamblers in the midst of a tense game may be tempted to drink to excess. The Illinois Crime Committee reports many links with taverns involving betting handbooks, pinball gambling and hoodlums and poker games.

In any case the state seems to be on sound ground in concluding that stamp purchasers have not paid the fee for a him; probably most do intend to permit or conduct gambling, and buy the stamp because they fear the efficiency and impartiality of federal law enforcement. If they are willing to break state anti-gambling laws, it seems reasonable to assume they might also violate other regulations, and to tolerate this attitude among liquor licensees would not encourage general respect for law and order.

Already, subterfuges, such as "leasing" part of a room to a person other than the tavern proprietor, are being considered. But we suspect that the new law will make it more difficult to wink at the law against gaming in liquor establishments.

No Reason to Hesitate in Adopting Children

For many years, childless parents encountered numerous obstacles in their attempts to adopt a child, but the situation has now entirely reversed itself.

Most who want to obtain a child can now do so, and quickly. They should not hesitate to read out their families and provide the loving care needed so badly by orphans, illegitimate children and those taken from their parents by court order.

Exports By U. S. Account for 5% of Jobs, More in Some Industries

50 YEARS AGO

AUGUST 21, 1917

The Granite City police department has needed an automobile for some time as an aid in reaching scenes of trouble in quick time.

At present, the department has enough tires to equip one machine for several years. They got the tires Friday and on Saturday they picked up a machine which had been abandoned by auto thieves at 15th street and Madison avenue, but the owner appeared at the station and claimed the car. They still have the auto tires; they don't know who the tires belong to or where they came from.

Five percent of the population of Illinois is arrested annually. Two percent are convicted of crimes and misdemeanors.

This average daily population of the city, county and state penal institutions of Illinois is 8,000. Four thousand persons are in the state prisons, 2,000 are in the county jails and 2,000 are in the Chicago House of Correction. The cost of making arrests and maintaining prisoners in institutions is \$12,000,000 a year.

The public library is rapidly growing and recently purchased a new list of books. The list will be published in our next issue.

25 YEARS AGO

AUGUST 21, 1942

The GCB club met with Mrs. Grace Dawson of 21st and Elmson avenue. Mrs. Rella Pence was a guest at the meeting and tallies were marked for 12. Prizes were won by Mrs. Charles Paul, Mrs. Fred Heely, Mrs. Amelia Brene and Mrs. Eugene Baumgardner. The club will meet again Sept. 9 with Mrs. John Harbig.

For the August social meeting of the Iota Psi sorority, Miss Dolores Sheridan was hostess.

A floral theme was carried out in the party appointments. Colonial corsages of pink roses and baby's breath, cascaded in lace frills and tied with silver ribbons served as favors for the guests.

On the refreshment table, lighted with pink tapers, a large bouquet of the same flowers.

The evening was spent at bridge, and dancing to the strains of the piano. Miss Eunice Hatcher and Miss Elva Schueser were the featured players. Miss Zydol, Miss Doris Givernod, Miss Mildred White, Miss Loreta McDowell, Miss Virginia Dacy and Miss Sheridan were the winners.

Members of the Iota Psi sorority club were entertained by the club.

Mr. and Mrs. Archie Hill and Mr. and Mrs. E. Thomas entertained a group of their cousins from Wales whom they had not seen since he was six years old. He is Hubert, a pilot, who is doing his best to stop Hitler.

It was the first visit of Officer Jeffreys to Granite City. He told his cousins of some of the denials and sacrifices the people of Britain are making in the war.

CROSSING GUARD CRITICIZES MANAGEMENT OF SYSTEM

William Condis, the head officer of the traffic and school crossing guards, is trying to eliminate us with women. This war was created only to help senior citizens, but William Condis is doing the contrary to that.

If forced me to work in order to accommodate a lady neighbor and her lady friend. The former head of this department, Paul Moore, placed us as close to our home as possible. To the contrary, William Condis is doing the opposite. This man had a slight accident there and he had to go to the hospital to be operated on, and now our mayor wants us to go through a physical examination so we can hold this job.

It is a shame to even think of demanding us senior citizens aged sixty-five, seventy and seventy-five to go through physical examinations to hold a padlock on a school crossing guard. The city employees was asked to do the same thing, we would not feel so bad about it, but why force us to work on the old timers.

We need this job badly with the cost of living and taxation going high. We need the earning money, and we need a place to serve food at our table and a roof over our head. I don't think older timers with their appearance. Of course there was no election just around the corner coming for them, just coffee and cupcakes and then we were no election just around the corner coming for them.

This writer remembers too well, because he was secretary of that organization then and after everyone of our members had departed, this writer tributed the cupcakes still left to the kids outside and went home thoroughly disappointed and disgusted with the Union. It was always good of. That Saturday I shall never forget. It was still in my memory the Blue Saturday when the Union membership town, Granite City.

Therefore you can imagine how

Funny, it doesn't look like a 4-cycle, 1498 cc, 73 hp, overhead valve V-4.

(and a V-4 with a lifetime guarantee, too? Nothing funny about that at all.)

Get you still think SAAB has only one kind of engine. Our famous 2-cycle, 3-cylinder "Strike" engine.

We'll don't bet on it. Because SAAB now has a new V-4 engine, too. This higher-performance V-4 promises to make the world's winning car an even bigger winner. Zero to 50 in 10 seconds. Top speeds of over 90 mph. 73 horsepower (SAE) at 5000 rpm. Compression ratio: 9.0:1. (And front-wheel drive brakes, for stopping all that power).

And to top it all off, as an optional extra, you can get a lifetime guarantee on the SAAB V-4. (Do you know of another car that guarantees its engine for a lifetime?) This guarantee is good for the lifetime of the car, while the car is with the original owner. Any SAAB dealer will replace defective engine parts at no cost, except for labor. And for the first 24 months, or 24,000 miles, there's no cost for labor, either.

That's the engine. But how about the car that goes with the engine? It's a SAAB, the car that has front-wheel drive, for fantastic control and traction on any road, in any weather. (It holds on to the road for dear life. Your dear life.) The car that gives you more standard safety features than most other cars give even as options.

And the SAAB V-4 not only protects you. It pumps you. With nice little touches of luxury. And it even pampers your wallet. Mileage up to 30 miles per gallon.

This is your chance of a lifetime to own the first and only car in the world with an engine guaranteed for a lifetime. (You can't get a better buy to save your life.)

The evangelist is Rev. Bob Beckett, formerly of Granite City, who is now in military service and is home on a 30-day leave prior to going to Vietnam.

MORE ABOUT

New Wage Pact

Business as usual with their repair facilities shut down, many of them reported substantial declines in sales. The basic hourly wage was \$13.75 per hour under the old contract.

Independent dealers continued operating without a shutdown during the strike and new contract negotiations. Union representatives said contracts with these firms customarily follow contract agreements with the dealer associations.

McKinley Bridge

Resolution amending the tentative 1967-68 bridge budget to include an additional \$45,000 appropriation for insurance, raising the total of the new budget from \$316,981 to \$361,981. The tentative budget was adopted a month ago and sent to Hardisty & Hardisty for approval. The budget is subject to change on recommendations by the engineering firm.

Expect Revenue Cut
The Venice bridge administration faces serious reduction in bridge revenue when the new Illinois-Missouri bridge over the Mississippi at East St. Louis opens. The free bridge tentatively is scheduled for opening in November. A substantial drop in bridge traffic resulted last fall when the new route 270 Chain of Rocks bridge was put into use. It also is a free bridge.

The loss in traffic was temporarily restored, however, after East St. Louis was forced to begin extensive deck repairs on the Veterans Memorial bridge, cutting the bridge to one lane of traffic most of the time and causing many motorists to detour over McKinley Bridge.

McKinnley pointed out that McKinley Bridge will suffer heavy traffic losses after the Veterans Bridge is repaired and reopened and the new Illinois-Missouri Bridge at East St. Louis also opens.

The city of Venice does not receive any part of its scheduled \$100,000 share until all other operating costs are paid.

Mayor Lee told the council that there is every indication the city will receive its entire \$100,000 this year, with a slight sum left in the bridge surplus fund.

The replacement insurance will be provided by Alexander & Alexander of St. Louis, agents for Lloyd's of London.

Infant Dies; Daughter Of Former Resident

Marsha Nell Kallenbach, infant daughter of L. (Lip) and Mrs. John Kallenbach of Virginia Beach, Va., died 22 hours after birth at the General Hospital in Virginia Beach.

The mother is the former Miss Leanne Lapidus of Granite City. An officer in the U. S. Coast Guard, Lt. Kallenbach and his family have lived in Virginia Beach for the past 18 months.

Also surviving are the infant's brother, Todd, five years; a sister, Robin, three years; her maternal grandmother, Mrs. Nellie Lapidus of Rural Route One, Granite City; paternal grandfather, Valie Kallenbach of Tusculum, Mo.; and several aunts and uncles in the Quad-Cities.

Available funeral details are given in today's obituary column.

Faces Two Charges

Answering a disturbance call at 4:40 a.m. Sunday in the 3700 block of Kirkpatrick Homes, police charged Betty Thomas, 23 of 267 Madison street, with disorderly conduct and fighting.

travel expenses had been paid without documentation, Portell said he received \$100 and that his traffic duty was given \$50 for expenses, but that the practice will be eliminated. Through documentation, he said his expenses will run more than \$100 per month.

The Scheffel audit also criticized former county sheriff Barney Fraundorf for salary expense last December. Fraundorf said it was necessary to hire an employee through the office of the county auditor to complete outstanding and pending reports and book work that remained at the end of his term. Salary expenses were \$550.
